NOTES: When conflicts arise with sound and tech schedule, please make arrangements to switch with another team member and notify dbrown@bayridgealliance.org and the worship leader for that week. Practice times are typically Wednesday evenings, 6:30-8:00, and it is expected that all musicians and sound volunteers will attend mid-week practices. Sunday AM practices run from 8:45-10:10 for the 10:30 start (leaders will set practice schedule for FX Sundays) and having the sound and tech team onsite for that practice is very important. Thanks!
